

*So much more than just
an excellent law firm*

Through the planned and unplanned twists and turns that make up the life of a business, chances are that you will need ongoing legal counsel on various issues that arise. The attorneys at APM & Co. have the experience, understanding and savvy you require. We can support you, grow with you and be your legal partners at all times.

FIRM PROFILE

Established in 1956, APM & Co. still works under the same basic ethos upon which it was established which is to provide the most professional legal counsel. Based on an up-to-date and in-depth knowledge of our fields of expertise, creativity, flexibility of thought, and uncompromising dedication to our clients, we provide comprehensive legal advice in commercial, civil and public law. APM & Co. is unique in its thinking and practice. Comprised of a group of multi-disciplinary professionals with wide ranging education, backgrounds and experience, this unique group has one thing in common, a passion for the law. It is this that brings together seasoned lawyers with motivated young attorneys all working together, inspired and looking to achieve more for their clients.

PRACTICING LAW WITH BUSINESS SAVVY

In the current economic environment you cannot run a business without your lawyers. We are aware that at times legal requirements present challenges that are hard to overcome, our lawyers are well aware of and will implement creativity and innovative thinking to overcome such difficulties. We are not just your legal counsel, we are your partner. We offer multi-disciplinary professional counsel and strategic legal and business advice that is based on years of experience, servicing businesses like yours. Having vast experience in each and every one of our fields of practice means we have seen, heard and gained a wide perspective of know how. Today we

offer you all of that knowledge together with our uncompromising commitment and the very best legal advice so you can make the right choices for yourself and your business, with the confidence that your legal team is doing their utmost to provide you with your desired results.

A HUB OF ACTIVITY

As one of the top law firms in Israel it is only natural that we have become a hub for business activity. We revel in our clients' success and feel proud to have helped them reach it. We leverage opportunities and have created a vast network of local and international contacts in almost every field to facilitate the creation of business opportunities for our clients. We are aware of, and minded towards, our network and support the various processes that arise, not only through professional legal counsel but also by offering guidance and advice on strategic and business decisions.

AWARDS & ACHIEVEMENTS

At APM & Co. we feel there is place for creativity, innovation and thinking outside the box. We never stop striving to provide cutting edge solutions and the very best legal services. We believe these are the foundations that have placed our firm as one of the highest ranked law firms in Israel. We are proud to boast years of remarkable legal achievements, routinely winning awards and high ranking by top local and international legal directories. In recent years we have been ranked as a leading firm by Legal 500, Chambers and Partners, BDI and DUN'S100.

GLOBALLY SPEAKING

In this global village we understand that cross border services are essential to conducting business.

As a reflection of this basic understanding we have placed great importance on the international aspect of our work, clearly evident in our teams' diverse backgrounds. At APM & Co. we are proud to have a large number of team members with law degrees completed at leading academic institutions in the US and Europe, alongside attorneys licensed to practice law in countries throughout the world, we are therefore able to do so in a variety of local languages.

STAYING ABREAST OF DEVELOPMENTS

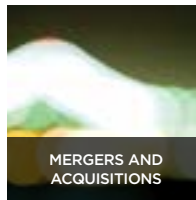

Acutely aware of technological, economic, environmental, regulatory and social changes happening throughout the world, at APM & Co. we make sure to stay abreast of legal and business developments. This is accomplished through, among others, the 'APM Academy', a unique annual lecture program delivered by some of the best academic lecturers and experts from the business and legal sectors. We invite our attorneys to refresh, renew and continually develop their skills and knowledge base.
